

Technical datasheet

Zano[®] 10

INCI Name: Zinc Oxide

Microfine zinc oxide for cosmetic applications

Property	Specification	Test method
Appearance	Fine white powder	Visual
Specific gravity	5.6 kg/l	-
Specific surface area	>20 m ² /g	BET
ZnO content	99.5 wt% min.	-
Chemical analysis	Zano [®] 10 meets American (USP), European (EP) pharmacopoeia and Japanese Quasi Drug Materials specifications.	

Packaging

12.5 kg (27.5 lbs) boxes

Other packaging available on request

V08-07
