

General Statement

With regard to our product **Der K228 PF** we certify that:

- The product meets the all the requirements from the European regulation REACH. All its ingredients have been pre-registered, registered, or are exempt from registration.
- This product does not contain any substance listed in the Annex II of Regulation (CE) 1223/2009 and meets all the requirements this regulation establishes for the cosmetic products.
- None of the allergenic substances listed in Annex II and III of Regulation (CE) 1223/2009 is contained in the product. It does not contain any latex ingredient.
- This product is manufactured exclusively within the European Union.
- This product does not contain carcinogenic, mutagenic, or toxic for reproduction substances, except for residual acrylamide. The residual acrylamide content in the product is always below 1ppm. This low level ensures a full observance of the Regulation 1223/2009; which demands that acrylamide in the final cosmetic product be below 0.1ppm (body leave on product) and < 0.5 ppm (other products). Acrylamide is the only substance, as impurity, contained in the product that is included in the list of "Substances of Very High Concern" (SVHC).
- This product does not contain substances of animal origin, it has not been tested in animals, and it does not contain phthalate derivatives. Therefore it is a BSE (Bovine Spongiform Encephalopathy) and TSE (Transmissible Spongiform Encephalopathies) free product.
- This product does not contain any substance coming from a genetically modified organism (GMO).
- This product does not contain any amount of gluten, lactose, latex and/or palm oil.
- This product is a water soluble polymer in aqueous solution. Therefore it does not contain any solvent or mineral oils in any amount. Consequently the product is VOC free.
 - This product does not contain:
 - Nanomaterials.
 - BHT – Butyl-hydroxytoluene, BHA – Butyl-hydroxyanisol.
 - Glycol esters
 - Heavy metals, Nickel or nickel derivatives, Pesticides, mycotoxins, aflatoxins, mercaptans.
