

GALESLIME®

Revised: 21-04-2021

Page 1 of 2

Printed: 21-04-2021

SPECIFICATION

Trade Name:	GALESLIME®
Chemical Identity:	<i>Composed by active ingredients such as allantoin, elastin, collagen, glycolic acid, vitamins and essential amino acids</i>
Description:	<i>Snail secretion filtrate for cosmetic use</i>
Applications:	<i>skincare – haircare products, moisturizing, antiaging, healing action</i>
INCI NAME:	<i>SNAIL SECRETION FILTRATE, AQUA, PHENETHYL ALCOHOL, CAPRYLYL GLYCOL</i>
Composition:	<i>Snail Secretion Filtrate 95-98% ; Phenethyl Alcohol < 1%; Caprylyl Glycol < 1 %; Purified water enough to 100%</i>
Origin:	<i>Animal origin</i>
CAS-number:	<i>-, 7732-18-5, 60-12-8, 1117-86-8</i>
EINECS-number:	<i>-, 231-791-2, 200-456-2, 214-254-7</i>

PRODUCT PROPERTIES

Appearance:	<i>Clear or slightly opalescent liquid</i>
Colour:	<i>Light to slightly beige</i>
Odour:	<i>Characteristic</i>
pH (5% water sol. at 25°C):	<i>4,0 – 7,0</i>
Density, g/ml:	<i>1,02 – 1,15</i>
Dry Extract, %:	<i>1,50 – 2,50 (5g/120°C/h)</i>
Refractive index, g/ml:	<i>1,3305 – 1,3505</i>
Protein, %:	<i>0,2 – 0,3</i>
Total aerobes, cfu/g:	<i><= 500</i>
Yeasts and molds, cfu/g:	<i><= 500</i>
Pathogen:	<i>Absent/1g</i>

SOLUBILITY

Soluble/dispersible:	<i>Completely soluble in water, dispersible in O/W emulsions, limited compatibility with ethyl alcohol</i>

STORAGE INSTRUCTIONS

This product should be stored in the original, sealed and unopened containers, in a cool place away from heat and direct sunlight. It should be kept at a temperature between -5°C and +35°C and away from basic and easily oxidisable materials. Gale & Cosm will only consider quality complaints when accompanied by a declaration that the products was stored in accordance with these storage instructions. If stored properly and kept in original sealed packaging, the product maintains its characteristics for at least 24 months.

INSTRUCTIONS FOR USE

Product has natural origin. Colour deviation, precipitation and oxidation process, due to its naturalness, are possible. Based on these observations, we suggest to all our customers to use the product within 90 days of receiving the goods.

Shake before use.
